FAIRFIELD INN & SUITES BOCA RATON ANNOUNCES FREE HIGH-SPEED INTERNET

BOCA RATON, FL – Friday, August 13, 2004

The Fairfield Inn & Suites Boca Raton, Florida located at 3400 Airport Rd (right off I-95 at Glades Rd) proudly announces that high-speed Internet is available FREE to all guests. The hotel has 119 well-appointed guest rooms and suites, a uniquely designed South Floridian décor lobby area, a tropical pool area for relaxation, all with complimentary high-speed Internet throughout.

The hotel partnered with Gemini Telemanagement Systems (GTS) to install and support the high-speed network, which is complimentary to all guests. Richard Alter, President and CEO of Gemini, commented, “We worked with this property to implement a customized solution to meet the varying demands. Gemini guarantees full franchise compliance with Marriott, as well as excellent security and performance for the guests.”

Deborah Bommersbach, Director of Sales for the Fairfield Inn & Suites by Marriott – Boca Raton is proud to offer the long-time loyal guests of the hotel FREE high-speed Internet as a value added amenity. Ms. Bommersbach said, “Having partnered with GTS puts us in a better position to market and sell the hotel. Our guests have already taken notice with very positive feedback. They have told us that the price point of the Fairfield Inn & Suites Boca Raton is an even greater value than ever before with the addition of high-speed Internet.”

High-speed Internet is available in all guest rooms and suites, as well as the public areas of the hotel free of charge.

About Gemini Telemanagement Systems

Gemini Telemanagement Systems is headquartered in Redwood City, CA with offices across the country. Their support center is located in New Hampshire. GTS has been providing excellent products and services to the hotel industry for almost twenty years. Its current President, Richard Alter, founded it in 1985.

Since 1985, GTS has sold and installed thousands of systems, including HSIA, call accounting, answer detection, voicemail as well as PBX equipment. GTS has engendered a tremendous amount of goodwill in the industry as being a trust-worthy and stable

vendor of telecommunication devices. Visit their website at www.gts3210.com to learn more about Gemini Telemanagement Systems.

About the Fairfield Inn & Suites by Marriott – Boca Raton

In addition to the well-appointed 119 guest rooms and suites, the Fairfield Inn & Suites Boca Raton provides a deluxe complimentary breakfast each morning along with FREE high-speed Internet in the breakfast area and guest rooms. The combination of several business amenities such as two-line phones in every room along with the leisure activities of a fitness center, and tropically landscaped pool provide the perfect atmosphere to relax after a day's work.

The Fairfield Inn & Suites Boca Raton is managed by Vista Host - a Houston based hotel management company serving owners of Hampton Inn, Hampton Inn & Suites, Holiday Inn Express, Fairfield Inn & Suites by Marriott, Courtyard by Marriott, Residence Inn by Marriott, Hawthorn Suites, Homewood Suites, Comfort Suites, and AmeriSuites.
